

smarties2.h

```
graph BT; smarties2_c[smarties2.c] --> smarties2_h[smarties2.h]; inits_c[inits.c] --> smarties2_h;
```

A diagram illustrating file dependencies. At the top is a gray rectangular box labeled 'smarties2.h'. Below it are two white rectangular boxes: 'smarties2.c' on the left and 'inits.c' on the right. Two blue arrows point from the top of 'smarties2.c' and the top of 'inits.c' towards the bottom of 'smarties2.h', indicating that both source files include the header file.
