A diagram illustrating the relationship between a header file and four source files. At the top center is a gray rectangular box labeled 'menu.h'. Below it, arranged horizontally, are four white rectangular boxes labeled 'smarties2.c', 'inits.c', 'menu.c', and 'system.c'. Four dark blue arrows point from each of these four boxes up towards the 'menu.h' box, indicating that each source file includes or depends on the header file.
